CAMP PHILOSOPHY

Players are grouped by age and ability to work in small groups. Pitchers will receive instruction covering all aspects of the windmill pitching motion, development of more speed and control and different pitches (drop, change-up, curve, screw and rise ball.) Catchers will receive instructions on all aspects of fastpitch catching techniques (framing pitch, proper footwork, body positioning, hand location, throwing techniques for pickoff and steals, blocking the plate, game calling and all other defensive situations related to position). Campers will also work on proper mental preparation training habits, pitching & catching strategy and much more. Catchers will also have hitting instruction daily. The All-Skills Camp will cover softball theory and fundamental skills including hitting, bunting, base running, sliding, fielding by position and team defense. Demonstrations and practice drills will be conducted daily. The evening sessions include games.
